**AMERICAN HINDU COALITION SUPPORTS
PRESIDENT TRUMP'S DECISIVE LEADERSHIP
IN ERRADICATING ISLAMIST TERROR**

Ashburn, VA – January 2, 2018 - American Hindu Coalition (AHC) membership nationwide responded positively to President Donald Trump's January 1st twitter statement: "The United States has foolishly given Pakistan more than 33 billion dollars in aid over the last 15 years, and they have given us nothing but lies & deceit, thinking of our leaders as fools. They give safe haven to the terrorists we hunt in Afghanistan, with little help. No more!"

Harsh Sethi, AHC President, observed: "President Trump's assessment takes into consideration the top U.S. commander, General John Nicholson's recent comments to reporters that there have been no changes in Pakistan's support for militant network.

"At the head-of-state level meeting between Pakistan and Afghanistan, General Nicholson indicates: "They identified certain steps that they were going to take. We've not yet seen those steps play out." He added: "We're hoping to see those changes".

Alok Srivastava, AHC Chief of Staff & Senior Adviser, stated: "We are considering grassroots outreach to Members of Congress urging support for conditioning the \$255 million economic aid to Pakistan with that country's compliance in bringing to justice the Pakistani-Taliban leadership, which we believe can achieve regional peace and prosperity."

AHC, a new IRS 501(c)(4) advocacy organization that unites American Hindus under a limited government and strong national defense political platform, supports eradicating Islamist terror and also a stronger security relations between America and its natural ally - India.
